

# Automated Video Creation

## Globali.ai

by Wadi Wadi AI Agency

Revolutionize your video content strategy through a powerful blend  
of AI Avatar and AI-generated video.

# The Power of Hybrid AI Video

At Wadi Wadi AI Agency, we understand the dynamic needs of modern marketing. Based on your needs, we combine the personalized touch of AI avatars with the rich visual storytelling of AI-generated scenes, offering Globali.ai a scalable solution for high-impact short-form video content.

## AI Avatar Integration

Lifelike AI avatars deliver your message with consistent branding and voice.

## Dynamic AI Scenes

Enhance engagement with captivating, contextually relevant AI-generated video segments.

Wadi

# Automated Workflow: From Idea to Reel

Our streamlined process ensures rapid content generation tailored for Instagram Reels, TikTok, and YouTube Shorts.

## Content Brief Submission

Globali.ai marketing specialists send text or voice messages detailing campaign needs to Wadi Wadi's platform.

## AI Ideation & Scripting

Our AI agent researches and generates 5 top campaign ideas, complete with titles, core concepts, and full scripts.

## Human Review & Selection

Globali.ai reviews and selects the preferred idea, maintaining creative control.

## Hybrid Video Generation

Our Video Gen AI creates scenes: a human-like AI avatar for script voiceover, complemented by engaging AI-generated video parts.

## Final Delivery & Guidance

Receive your videos with clear guides on integrating AI-generated segments for maximum impact.

# AI Avatar Showcase

# Enhanced Engagement with AI-Generated Scenes

Beyond avatars, our AI crafts compelling visual narratives. Imagine dynamic visualizations or illustrative metaphors that truly resonate with your audience.

## Dynamic Visual Storytelling

From stunning cityscapes to abstract data visualizations, the possibilities are limitless, ensuring your message is not just heard, but **seen** and felt.

# Pricing Plans

The plan that fits your content needs and scale your video production effortlessly with Globali.ai.
