PROFILE

Hands-on digital marketer with **10+ years running owned, earned and paid channels end to end**: daily social media operations, multi-platform paid campaigns, website and CMS content, email and CRM, and the weekly reporting that turns data into optimisation decisions. Muscat-based, currently leading digital and creative delivery at Make The Change, where **GBC / AI Madina Azarqa is a client** and where I delivered a marketing workshop for the GBC team. I brief agencies and creators daily, work across English and Arabic content, and can build the landing page and set the tracking myself when speed matters.

CORE CAPABILITIES

Social Media Management · Paid Digital Advertising · Website & Content Management · Content Production Coordination · Email Marketing & CRM · Analytics & Reporting

EXPERIENCE

Make The Change, Muscat, Oman — Feb 2026 – Present

Creative & AI Lead · Full-time

- Run day-to-day digital delivery for Omani client brands **including GBC / AI Madina Azarqa**, covering monthly content calendars, paid campaign creative, landing pages and website updates.
- Designed and delivered an in-house workshop for the **GBC marketing team** on building better presentations, working directly with their marketing leadership.
- Produce and schedule content for Instagram, TikTok, LinkedIn, YouTube and Snapchat; brief and review supplier deliverables against brand guidelines; QA bilingual English and Arabic copy alongside native writers.
- Build weekly and monthly reports from Meta Business Suite, GA4 and the TikTok and Snapchat Ads Managers, then present optimisation recommendations to clients.

Russian House, Muscat, Oman — Dec 2025 – Feb 2026

Social Media Manager

- Managed the social channels for a cultural institution in Muscat, planning and publishing content and online ads for a mixed Omani and expatriate audience around a live events programme.

Wadi Wadi Agency, Muscat, Oman — Feb 2024 – Dec 2025

Digital Lead & Designer

- Built client websites and campaign landing pages with the full tracking layer in place: **GA4, Tag Manager, Meta Pixel, UTM taxonomy and conversion events**, each verified firing correctly before launch.
- Ran on-page SEO across client sites, covering meta tags, keyword integration, internal linking, alt text and broken-link fixes, monitored in Search Console.

Zitazi, E-commerce — Aug 2024 – Nov 2025

Marketing Manager

- **Grew sales 128% and customer count 84%** over my time in the role.
- Managed a **$5K monthly paid media budget** across Meta and Google Ads, covering audience targeting, bidding, budget allocation and creative rotation against CTR, CPC, CPL and ROAS targets.
- Led a full rebrand and ran integrated online and offline campaigns, owning the content calendar and briefing designers on every campaign asset.

Khanoumi, E-commerce marketplace — Nov 2023 – Apr 2025

Digital Marketing Manager

- Managed a **monthly digital budget of $80K to $120K**, reporting weekly against CAC and ROAS and reallocating spend across channels by performance.
- Rebuilt CRM targeting around **RFM segmentation, lifting click-through rate 48% while cutting CRM cost 37%** by suppressing dead and disengaged contacts.
- Owned full-funnel digital: paid acquisition, SEO, social, and lifecycle campaigns across email, SMS and push, segmented by audience and stage of engagement.
